

"YKK COMPATIBLE" BUDGET/SALE SHEET Winter 08/09

The items listed below are 'YKK compatible'. Although they are not YKK, they are of very good quality and all are compatible with YKK; they all work with YKK zippers. Beginning now, we will always stock popular items in a lower cost, budget alternative for you. If you want only YKK, the best and #1 zipper in the world, then order off of the attached order form as our order form items are almost (98%) all YKK. We stock more YKK items than any of our competitors; it's not even close! If you are looking to save money and still get a good product then take a look at the items below. The items below are made up of popular items we want to stock for you in 'YKK compatible' and items that we were able to buy in closeout sales. Quality Zipper has the best of both worlds for you: YKK items on our order form for those of you that want the best zipper made and 'YKK compatible' items on this budget/sale sheet for those of you looking to get a quality product while keeping the budget in line!
